

**CITY OF VILLA PARK  
MEMBER OF THE CITY COUNCIL**

**SANJAY "JAY" KHETANI**  
Entrepreneur/Consultant

**AGE: 52**

As your council member, my priorities for the residents of Villa Park are to ensure safety, security, and maintain the beauty of our magnificent city of Villa Park; "The Hidden Jewel".

Villa Park has been my home for twelve years. I love this city, as it is a wonderful place to live and raise a family; I want it to remain that way! My wife, Sadhana, and I have two children who live in Villa Park; graduated from Villa Park schools. Our daughter, Jessica, is in college and our son, Jayson, works in corporate finance. I want to ensure the continuity of this magnificent lifestyle we all share.

I've lived in Southern California since 1971, work in the hospitality and food service industry for 30 plus years. Successfully owned and operated various franchise businesses. Our current business manufactures packaged meals for health clinics and seniors. With years of experience and financial expertise, I'm an advisor and consultant for many clients in this industry. My financial business acumen and leadership experience with organizations, qualifies me for Councilman.

I will preserve the beauty of Villa Park, ensure security for our residents and serve the community in fairness for the betterment for all.

I approve the accuracy and format of  
this document to go to print.
